MSc Chemistry, track Analytical Sciences with Minor Science for Sustainability

**Jaar 1**

**Block 1**
- Separation Sciences (M 6)
- Environmental Chemistry (E 6)

**Block 2**
- Energy & Climate Change, Science, Policy & Economics (M 6)
- Mass Spectrometry (M 6)

**Block 3**
- Current Sustainable Energy Technologies (M 6)

**Block 4**
- Fundamentals of Analytical Sciences (M 6)
- System Innovations & Transition Management (M 6)

**Block 5**
- (Bio)Molecular Spectroscopy (M 6)
- Academic English (M 3) & Second Elective (E 3)

**Block 6**
- Project Sustainable Future (M 6)

**Jaar 2**

**Block 1**
- Literature Thesis (M 6)
- Literature Thesis (M 6)

**Block 2**
- Research Project & Thesis (M 6)
- Research Project & Thesis (M 6)

**Block 3**
- Research Project & Thesis (M 6)

**Block 4**
- Research Project & Thesis (M 6)
- Research Project & Thesis (M 6)

**Block 5**
- Research Project & Thesis (M 6)
- Research Project & Thesis (M 6)

**Block 6**
- Research Project & Thesis (M 6)
